ABOUT HRD CORP

Disbursing training grants to registered employers

Collecting levies from key industries

HRD Corp, established in 1993 under the Ministry of Human Resources (MOHR), is a statutory body that manages the Human Resource Development Fund and drives human capital development in Malaysia. It was rebranded in April 2021 and operates under the purview of the **PSMB Act 2001**. HRD Corp officially began its operations in the state of Perak in January 2017.

Pusat Latihan dan Pembangunan Komuniti (PLPK) (PLPK) is the first community training center established by HRD Corp on October 16, 2022. Its purpose is to empower socioeconomic development and community upskilling programs for the local population. It serves as a one-stop center for economic and social development activities, including skills gap research and analysis, to address community needs through appropriate skills training programs.
